Alert Crews Minimize Loss In Forest Fires

Four Out Six Blazes During Week Blamed on Lightning

Six incipient fires in the Truckee District of the Tahoe National Forest during the past week were nipped in the bud by the suppression crews and no damage resulted.

The fires are classified as Nos. 12 through 17 for the season, but none of the 17 fires reported to date have caused damage, beyond being a nuisance and threatening, because of the fast and effective work of the forest service crews.

Fire No. 12, located on Barker Creek in the Rubicon area, was a camp fire left by a careless camper. It was found and quickly extinguished by a horse patrolman.

Nos. 13 and No. 14 were lightning caused, 13 being three miles south of Truckee and 14 three miles north of here on the Carpenter Valley road. No. 15 was located near Horseshoe Bend above Donner Lake Sunday and was attributed to lightning.

No. 16, a smoker blaze was put out in Stampede Valley while No. 17, a lightning fire was discovered in the Sagehen Creek area.

Forest service officials say this has been one of the lightest years for fires on record in this district, with credit going to the lookouts, patrol and the campers and general public. Officials warn, however, that the danger is not over and urge continued vigilance in preventing a major fire and thus breaking a near-perfect record.

Locals to Invade Sparks Saturday, Lose in Loyalton

The Tahoe-Truckee Wolverines were outclassed in all departments Friday night by the Loyalton Grizzlies in a football game in the Sierra County community. Jay Stuart, Wolverine halfback, was put out of the picture within the first three minutes of the game, lowering the morale of the team. It was a "wrong" night for the local lads, who failed to score at all.

The Grizzlies were penalized eight times while the Wolverines drew a single penalty.

The outstanding players for the Loyaltonians were Jay Cahill and Bud Aldrich who made three touch downs each. The Wolverines best men for the game were Dick Mandeville, who made a long run near the end of the game and also did some fine tackling, and Wayne Germain, who did some outstanding defensive work for the Wolverines.

At the half the score was 26-0 and at the final gun the count stood Loyalton 51, Tahoe-Truckee nothing.

The next game will be held at Manogue High School, Sparks, Nevada, at 2 p.m. Saturday, October 3.

Four new directors chosen were Mrs. Jeannette Mitchell of Tahoe City, Thomas Armstrong of Bijou, Mrs. Clara Sanford of Homewood and C. B. Bull of Stateline. C. W. Vernon of Tahoe City was reelected as a director and William Jenkinson of Tahoe City was appointed to fill the unexpired term of Alex Cushing to Squaw Valley.

Following the election the members discussed the progress made during the past year, calling attention to the vast amount of publicity which has been received, the sponsoring of Fisherman's Luck Month, the Gold Cup boat races and other promotional programs.

Much of the credit for the success of the year's activities was given Mrs. Carrol Raymond, chamber manager, who, following the close of the meeting, reaffirmed her resignation, previously announced but still pending definite action by the board of directors.

Mrs. Raymond expressed her appreciation to those who have assisted her in her work and criticized what she termed a minority group which has barred progressive plans. Aside from a much needed vacation, she did not divulge future plans.

Although the number of deer killed during the second week of the current season was far below that of the opening days, there are still many being brought in for validation. SUNBEAMS

By WALTER M. BARRETT

A bouquet this week to the officers and members of the Truckee Outdoor Sportsmen for their work in sponsoring the annual buck stew to be served Sunday at Capitol Hall. This annual event is not accomplished without a lot of hard work, planning and promotion and we believe the sponsors are to be highly commended. While this is only one of the many projects handled annually by the Sportsmen, it is the most outstanding from a general public standpoint. The club also sponsors legislation for improved hunting and fishing, works closely with fish and game officials and state legislators in providing better outdoor recreational activities and is constantly on the alert against any action which might deter outdoor sports. There is no other organization in the region which has the interests of the sportsmen more at heart and it should have the united support of everyone in the district.

Bus transportation for school children is no doubt the safest method that can be expected, but there is a danger which should not be taken too lightly by parents, and that is that many children wait along the edges of highways for the bus to arrive. Being carefree and sometimes thoughtless, they often get too close to the pavement and even run back and forth across the road in their play as they await the bus, depending entirely upon the drivers to avoid running them down. We think parents should caution the children to stay well back from the highway until the bus comes to a complete stop and then and only then approach the pavement. Running in front of the bus before it stops too is not an uncommon practice and is a far from safe method of approach.

Bail at $2,000 For Accused In Triple Fatality

State Patrolman Principal Witness at Hearing Friday

Eddie Dale Mullen of Eureka was held to answer to the Nevada County Superior Court on a manslaughter charge following the preliminary hearing before Judge F. W. Wilson in the Truckee court Friday. His bail is $2,000.

The complaint came as an aftermath of an automobile crash on Donner grade August 30 at 4:30 a.m. in which Mrs. Margie Thompson of Colfax was killed outright and Mrs. Josephine Walters of Coachella and John LaRue of Colfax suffered fatal injuries.

Principal witness at the preliminary was State Patrolman William Gautsche who testified that there were eight people in the car at the time including three hitchhiking Utah service men.

The prosecution, handled by District Attorney Vernon Stoll and Deputy Leo J. Todd, is based upon testimony that Mullen was under the influence of intoxicating liquor at the time of the accident.

The car failed to straighten out after making a mild curve and plunged over the shoulder and down a steep decline into the rocks below the road. Mullen received only minor injury.

Russell F. Brown, Sparks, Nevada, was taken to a Reno hospital by the Truckee ambulance Wednesday night after his car ran off the highway four miles east of Floriston and was wrecked on the rocks.

Patrolman Roy Stallard cited Brown for speeding and not having his car under control.

Four people were injured in a headon automobile collision just east of the Yuba Gap maintenance station on Highway 40 on Sunday, shortly before 10 p.m.

Brought to the Tahoe Forest Hospital for treatment were John and Maraget Beatty, both of Emigrant Gap, occupants of one car, and Frank Forsyth and Anita Gailie, both of Sebastopol. Arraigned before Judge F. W. Wilson, Moriano was released on his own recognizance and bail for High was set at $200. A 30-day delay in the trial was granted by the judge.

According to the McCartys, High swung a shovel at Mrs. McCarty and Moriano wielded an axe after the two plaintiffs protested the digging of a ditch near their property. Annual Buck Stew Sunday in Capitol Hall

Mr. and Mrs. Ciardella Will Prepare Free Feast For Sportsmen

The stage is all set for presenting the big annual free buck stew, sponsored by the Truckee Outdoor Sportsmen at Capitol Hall Sunday afternoon.

Charles Osburn, president of the club and general chairman of the event, said this week that ample venison has been procured to provide a feast for between 750 and 1,000 expected at the affair. The repast will be prepared, as usual, by Mr. and Mrs. Johnny Ciardella and will be served in chow-line style with a row of servers to pass out the stew, buns and coffee.

Everyone is invited and no charge is made.

An array of prizes has been provided by local merchants, highlighted by a high powered rifle from the Sportsmen. These will be awarded during the course of the afternoon.

The buck stew climaxes the activities of the Truckee Outdoor Sportsmen for the year and it is during this period that the membership is enlarged. Anyone desiring to affiliate with the club may make application during the program by contacting officials of the organization.

Osburn explained that the purpose of the annual buck stew is to provide a good time for everyone and at the same time express the club's appreciation for the support it has received during the year.

Swanee's Letter

Tahoe City, Sept. 27th

Dear Tahoeites:-

Today (Sunday) was beautiful, sunny and warm, although yesterday brought a thunder storm, followed by heavy showers. About all they did was settle the dust. Tahoe residents felt a brief, sharp earth tremor Friday evening around 8:35 as curtains swayed, dishes rattled and windows shook, but no damage was reported.

Among guests at the Imon Mitchell home in Sunnyside of late have been George Franco, San Bernardino, and children, Barry and Linda, and Cynthia Roher, who remained for two weeks. Others who have departed for home are Mr. and Mrs. George W. Welch, Alhambra, guests for 12 days, and Mr. and Mrs. Clymon Mitchell, Klamath Falls, and children Ramsey and Jackie. Mrs. Mitchell's niece, Miss Annette Rodriguez, spent most of the summer here but has returned to San Francisco where she is attending a state college.

Mr. and Mrs. Ted Marshall of Loomis were in town last week. They operated what is known now as Pfeifer House or Lake Inn some 15 years ago. Other former Tahoe residents who visited here last week were Mr. and Mrs. Charles Sherman, former owners of Tahoe Lodge, now residing in Turlock. They brought along their 14-month old son Mary for his first glimpse of Tahoe.

The Elfred Luhrs are returning to their Piedmont home after having spent the summer at their Truckee River residence. They plan to return from time to time to fish and hunt before the season closes. Charles and Eleanor Swanson were guests at dinner and an evening of pedro at the Art Sather home in Homewood last Thursday.

In for a late fall vacation is Mrs. Bruce Dohrmann of San Francisco at the family's Sunnyside home. In last week to close her home was Mrs. Wellington Henderson of San Francisco. Up for the opening of hunting season to visit at the home of Mrs. Annie Soll in Tahoe Pines were her son-in-law and daughter, Mr. and Mrs. Louis Gerkin of Sacramento. The William Grants of San Rafael are enjoying a hunting vacation at the home of the Misses Ash and Griffith (Agea) in Tahoe City.

Visiting his uncle and aunt, Mr. and Mrs. N. R. Mayfield, was Douglas Smith, former Tahoeite now of Fresno. The Smiths sold their Auburn and Tahoe homes and have located permanently in Fresno. The James Astles purchased their Bittencourt tract residence. The Fred Kilners of Homewood recently purchased the speedboat of C. D. Woods of Tahoma, Mr. and Mrs. Henry Aldrich of Riverside having recently purchased the Woods home. In for a late fall vacation are the William Wallace Meins Sr. of Woodside.

A. M. Anderson of Tahoe City flew from Reno to San Francisco Tuesday and is leaving this week on a vacation tour which will take him and Mrs. Anderson to Jackson Hole, Wyo., where they will visit daughter Katleen Starratt at her dude ranch and thence to Missoula, Mont., where they will visit his 89-year-old mother, Mrs. Martin Anderson, and other relatives in his old home town. The H. H. Searls have just returned from an extended tour of Europe, where the doctor addressed the International College of Surgeons meeting at Lisbon, Portugal. A card from the vacationing Otto Darlins was received from LaGrange, Ill., stating they were enjoying the trip. Mr. and Mrs. W. A. Simmonds of Bittencourt tract will winter at the home of her son, Art Frodenberg, near the Tahoe City dam, renting their house for the winter.

The E. E. Wellers of Lakeview Drive have moved to Reno for the winter and Mrs. Alice Gebhardt, who recently purchased the house in which they resided, will move in soon. Friends of the R. Stanley Dollars Jr. will be happy to learn that their baby is reported much better. Stan was called away the night of the presentation of the Mapes' trophy, which he won Sept. 13, because of the illness of the child. Once again the C. O. Valentines1 of Costa Mesa, former Tahoeites, are on the wing. A card from them Monday came from Vancouver, B. C., where they are vacationing by plane.

Mr. and Mrs. Everett Prusso of San Leandro, who have been vacationing for several months at their lakeshore summer home near Carnelian Bay, left for home this week. Earlier, they sold their Tahoe residence to Mr. and Mrs. Warren Leonard, who reside near Palm Springs. The Prussos, well known at Tahoe where they resided with their family for many years, were the builders and first operators of Forest Inn on Ward Creek.

This is all for this week. Good luck, good health and happy landings to all. As ever, Swanee.

From where I sit ... *by* Joe Marsh

One for the Books!

Noticed the Missus had a red ribbon tied around her finger at breakfast one morning last week. "What's that for?" I asked. "Your memory slipping?"

"It's not for me," she answers, "it's to remind *you*, and everybody else who asks what it's for, to contribute to the Woman's Club Library Fund. We need $200 and we figured we'd get more help if we could get people to ask *us* about it."

Well, as it turned out, the red ribbon worked just fine. The ladies are having the library all fixed up—and there's enough money for some new books, too.

From where I sit, it would be a fine thing if we had some sort of private reminder when we forget the rights of our neighbors. Like when we start telling them what *we* think is best. I may like a travel book and a temperate glass of beer while you prefer a cup of tea with your historical novel. Let's both remember not to "put the finger" on the other!

NORTH TAHOE

by THELMA BURROUGHS

Several years ago when Mildred Burch wrote her farewell article for the Sierra Sun, I was much impressed with all her lovely expressions. To myself, I thought "That is the way I feel about the people of Tahoe." Now come my turn to say farewell and for the life of me I can find nothing to say. There is such a feeling of emptiness. As I look out through the soft green of our trees to the sparkling sunlight jewels on Tahoe's surface, I wonder how we can possibly go away. Thanks to everyone for all the fine cooperation and friendships of the past nine years. These good memories I shall take with me where ever I go.

P. R. (Bob) Murray was taken to St. Mary's Hospital in Reno following a recent illness last Sunday. Bob had planned to leave his Tahoe Estates home this week to winter in Merced.

The Lions Club turkey shoot and buck stew last Sunday was a howling success. There were turkeys, hams and sides of bacon for the best shots. Ray Sorensen took home a couple of sides of bacon plus a ham and a turkey. In all, 20 turkeys were awarded and many hams and bacons. A goodly sum was added to the Lions funds.

Found a couple of girls interested in the public library for the area this winter. They are Pat O'Brien, teacher in the Truckee elementary school, and Marilyn Baker, teacher in Kings Beach. They have a nice large living room at their home in Kings Beach which should be a fine arrangement for book circulation among those who want to make the most of the forthcoming snowy days for reading.

Sun and Sand Resort suffered some fire damake early this week when a blaze broke out between the walls of two units nearest the highway. There was some confusion as to what to do or where to call for help for a few minutes. After the truck and volunteers arrived, only a few seconds were required to bring the fire under control upon applications of the very good "fog" system.

A plain case of professional reciprocity.....or something similar .....when Dr. Oliver Scow, Truckee dentist, went hunting for deer last Friday.....after reading a book on it.....he went with Dr. George Hahn, M.D.....Scow spotted a buck while they were resting, reached for the nearest rifle.....which was Hahn's.....and bagged his first buck.....a three pointer near Donner Lake.....Loynd's Truckee Drug and Surb Klein's Pastime along Commercial Row drawing goodly crowds.....for the World Series opener yesterday.....while Leamons Furniture in Gateway Park had a number drop in to see the Yankees edge the Dodgers.... on the Stewart-Warner TV set.....Curtis Clark, county supervisor for the Nevada City area, in the California Cafe Tuesday evening for dinner..... after spending the day hunting and fishing hereabouts....."hunting was good, finding was not so hot," said the west end official.....Eleanor Dominguez back behind bars.....at the Truckee post office.....after spending most of September catching up on her accumulated time off.....Gladys and Fred Pedley marked another wedding anniversary September 14.....while Nat Quilici had a birthdate some time that same week.....You'd better get that Band-Aid or shaving lotion Saturday night....'cause as of next Sunday, Loynd's Truckee Drug is going to be closed each Sunday..... And Rose Bros. Gateway Market is shortening its work day.....with new hours from 9 a.m. to 7 p.m..... Generally genial Bill Englehart Sr. has a pet peeve.....with the freight trucks that park in front of his home driveway on Church Street .....and fracture the limbs on his apple tree.....last evening he had it in spades when a truck and trailer parked in front of his house.....loaded with bawling cattle.....

Idaho was the fourth ranking producer of hops in 1952.

TAHOE MATRON IS HONORED AT SHOWER PARTY

TAHOE CITY— A pink and blue shower was given for Mrs. Hannah Corona, wife of Tahoe City's postmaster, Oliver Corona, on the evening of September 23 at the home of Mrs. James Brehler in Tahoe Park. Many adorable gifts were opened by the honoree from the 20 invited guests. Mrs. Brehler and Mrs. Louise Geier of Tahoe Park were co-hostesses.

A guest at the party was Mrs. Joseph Fuchs, who was married on September 19 at Redwood City and who is spending her honeymoon at the W. W. Mein home here.

Games were enjoyed and punch, followed by the serving of a special cake, ice cream in bootee design in pink and blue, and coffee were served. (es)

SEVERAL DEER ARE VALIDATED BY JOHANSON

TAHOE CITY— Deer hunters continue to report fair luck in the districts around Tahoe City, although a number of hunters have spotted bucks but missed them. Unusual is the report from the William Kent Forest Service station that no bucks were validated over Friday and Saturday.

Constable Harry Johanson has validated the following: on Sept. 23, a 3-pointer 160 pounds for Ben Jull of Woodland, shot near Deer Park; a 4-pointer, 165 pounds for Archie Marjama, Los Angeles; last Thursday, a forked horn for Emil Storz of Woodland, near Deer Park; on Sunday, a 190-pound 4-pointer for Marvin M. White, Tahoe City, near Buck Lake, Homewood; a 160-pound 4-pointer for George Patton, Loomis, at Page Meadows; on Saturday a 150 pound 3-pointer for Mrs. Edna Slaight of Los Angeles.

Joe Neronde of Sacramento, whose summer home is at Tahoe Park, killed a 135 pound forked horn near Truckee Monday. (es)

To Reno—

The H. C. Helm address will be at Reno for the winter, after several months at Tahoe City, where Helm was employed by PMT.

TREES REMOVED IN TAHOE AREA

TAHOE CITY— Many inquiries relative to logging operations which have been carried on near Tahoe Tavern and across the west end of Tahoe City brought forth the information that this land is reclamation property and the Mt. Rose Logging Company has been conducting the task.

The trees which were removed were at a mature stage and rapidly becoming a "poor risk." Great care was taken to preserve the residual growth in the removal of the trees. This also will serve as a fire hazard abatement in case of a forest blaze by reducing the fuel and establishing fire breaks.

The logging was done in accordance with California forest practices rules and Placer County ordinances and a good clean-up is to follow. (es)

Summer residents of Meeks Bay, Mr. and Mrs. Donald Robinson, are located at Hemet and the N. J. Lindenfeld family has returned to Los Angeles.

How to prevent rusting of metal equipment

Apply Standard Utility Coating to metal roofing, orchard heaters, tanks, pipe, implements, etc., to protect them against the weather or dampness. It is a quick-drying asphaltic paint that may be applied by brush, spray or by dipping.

One coat gives 6 to 12 months protection against rust and corrosion on farm implements that must stand outside in the weather. Several coats on an underground storage tank make it last years longer.

TAHOE UTILITY SUIT DISMISSED

AUBURN— Superior Judge L. L. Sparks has dismissed a complaint by Chris D. Johnson and G. Simi, both of Sacramento, attacking the legality of the North Tahoe Public Utility District's expansion program in the Lake Vista district in the north Lake Tahoe area.

The plaintiffs, who own property in the district, contended the utility district included Lake Vista property illegally and asked it be enjoined from issuing assessment bonds they said were for $103,000.

TAHOE UTILITY GIVEN PERMIT TO SELL WATER

TAHOE CITY— The Tahoe City Public Utility District has received the first permit in any unincorporated area of Placer County to serve water for domestic purposes.

James Wheat, chief sanitarian for the county, discloses this and said the permit was dated September 22.

C. W. Vernon, president of the utility district, reported both state and county health officers examined the water supply and made tests of the water for the past two years. The supply is from three 12,000 gallon tanks fed by springs high above town.

To meet further requirements of the health and safety code the district has under construction a sanitary sewer system, expected to be completed before heavy snow falls.

Tahoe City also boasts a fire protection district with 12 trained volunteers and two fire trucks. Al Henry Jr. is fire chief.

Should the gravity water supply not meet any emergency in case of fire or shortage for domestic supply, the district can pump from the lake with either a 500 gallons per minute fire pump powered by a gasoline engine or a smaller capacity electrically driven pump for domestic service.

SWITCHES PLEA, PAYS $175 FINE

TAHOE CITY— Mrs. Ruth Cochran, Kings Beach, charged early in August with liquor law violations, changed her plea to guilty and Judge Harry Charrison of the Tahoe judicial district court, fined her $175.

Mrs. Cochran, charged with selling after legal closing hours and failing to destroy empty liquor bottles, had demanded a jury trial and the case had been continued twice previously.

Visits Sister—
Mrs. Mildred Longdren of Oroville is visiting here this week with her sister, Mrs. Oscar Quam, and family.

More Birthdates—
Glenn Coffey celebrated his natal date September 28 and Mary Zunino observed her birthdate on September 27.

ATTORNEY TELLS ROTARY SESSION ABOUT BURMESE

Winslow Christian, Loyalton attorney, gave the Truckee Rotary Club a very interesting talk on Burma at their Monday night meeting in Donner Lake Lodge.

Burma is about as large as Texas and has about the same population as California, Christian pointed out. They were given their independence by the English after the Japanese were defeated during the second world war. Before that it was a British colony from as early as 1870. Christian explained that the Burmese are called "the Irish of the East." They are a humorous and clever people but can show a quick temper whenever anything irritates them.

The meeting was presided over by Johnnie Richards with Orval Vaughan acting as program chairman. The club voted to respond to the appeal made by the Greek Disaster Relief Drive of the American Red Cross.

Darryl Knoefler of Truckee was a guest. Visiting Rotarians were Don Brown, Cheboygan, Mich.; John S. Verhaal, Lloyd Push and Ed McDonald, all of Sparks, Nev., and Don Huff, Woodland.

RENO PASTOR WILL CONDUCT SERVICE

Rev. Stephen C. Thomas, assistant pastor of the First Methodist Church in Reno, will bring the message for the 11 a.m. worship service at Truckee Community Methodist Church next Sunday. He will also serve the elements of communion in keeping with World Wide Communion Sunday. Church school in Truckee will begin at 9:45 a.m.

Kings Beach's Wee Kirk o' the Pines will have church school at 10 a.m. Sunday and World-Wide communion in the regular evening service at 7:30 p.m. October 4.

MAY FORM COUNCIL FOR GIRL SCOUTS

After a year's study, it has been concluded that the best interests of the girls in Scouting in Sierra, Placer and Nevada Counties would be served by forming an Area Council. With this in mind, the Grass Valley and Nevada City Girl Scout Councils invite Girls Scout leaders from Truckee to a planning meeting to be held at the Nevada City elementary school on Cottage and Main Streets on Thursday evening, October 8, from 8 p.m. to 10 p.m.

"IN A FEW MINUTES, THE CATS FINISHED THEIR SLAUGHTER AND LEFT AS QUICKLY AS THEY HAD COME," SAID KOMA. "A DEATHLY SILENCE PREVAILED--IT WAS THEN THAT I SAW THE DEVIL..."
